

MELISSA GOODMAN, DVM

Reproductive Services

Dr. Goodman is a 1979 graduate of the University of Pennsylvania, and a 1983 graduate of the University of Florida College of Veterinary Medicine. After five years in small animal practice, she joined International Canine Genetics, Inc., where she received specialized training in small animal reproduction and became Vice President of Veterinary Services before leaving for private practice. Dr. Goodman has served as Veterinary Advisor to the American Kennel Club, adjunct professor at the University of Pennsylvania's School of Veterinary Medicine, and consultant to The Seeing Eye in Morristown, NJ, and the United States Military Working Dog Program in San Antonio, TX. She exhibits and breeds golden retrievers; is active in conformation, field, agility and obedience events; and is a past Director of the Golden Retriever Club of America; as well as past Chairman of the GRCA Health & Genetics Committee.
